## ELECTION UPDATE

### FEDERICI AND HIS GANG GOT BUSTED!

Local 400 Secretary-Treasurer Mark Federici and the same staff and Executive Board Members found guilty by the International President are once again in the stores, illegally using your dues money campaigning for your vote in this "DO-OVER" election hoping to secure their exorbitant salaries.

In the latest report filed with the Federal Government Local 400 Officers and Staff received over \$6,000,000.00 in salaries and other compensation.

**REMEMBER IT'S YOUR DUES MONEY THEY ARE SPENDING!!!**

### MEAT CUTTER JOBS ON CHOPPING BLOCK

Ahold's meat packing facility is 6 weeks ahead of schedule and is due to open in August 2013.

The building of this facility was a well known fact prior to the last contract negotiations yet the bargaining team of Mark Federici, Secretary-Treasurer and Tom McNutt, Local 400 President, who spearheaded negotiations for the last Giant contract failed to address the issue with no provisions for protecting Retail Meat Cutter's jobs or giving them first opportunity to transfer to the plant.

Stopping this process at this point is like stopping a speeding train, and the Ramirez Slate is not claiming to have a silver bullet to solve the problem but the "Federici/McNutt" regime failing to deal with it is not acceptable.

THANKS TO THE RALPH RAMIREZ SLATE FILING CHARGES AFTER THE LAST ELECTION THE MARK FEDERICI/TOM MCNUTT REGIME GOT CAUGHT CHEATING AND ILLEGALLY USING YOUR DUES MONEY AND THE INTERNATIONAL PRESIDENT ORDERED THIS "NEW" ELECTION.
