

WHAT LOCAL 400'S LEADERSHIP DOESN'T WANT YOU KNOW

Former Local 400 President Tom McNutt and Secretary-Treasurer Mark Federici along with their entire slate of candidates were found guilty of illegally using Local 400 Members' dues money to support their re-election campaign last October.

The Ramirez Slate of Candidates filed charges protesting McNutt's and Federici's illegal campaign tactics and on February 6, 2013, UFCW International President Joseph Hansen ordered a new election of Local 400 Officers be held based on the findings in the charges filed by the Ramirez Slate. (To view a copy of President Hansen's letter ordering a new election visit WWW.UFCW400CFDU.ORG)

Reportedly, McNutt resigned from his position as Local 400 president and his counterpart Secretary-Treasurer Mark Federici is now seeking the position as Local 400 president.

It appears Federici has based his campaign for Local 400 president based on his experience but we found that since Federici took over as Secretary-Treasurer, UFCW Local 400 has been in the **"RED"** according to Local 400's financial reports to the Department of Labor.

Electing Mark Federici as Local 400 President is like sending the proverbial fox to guard the hen house!
