

# GIANT-LANDOVER'S GREATEST ASSET

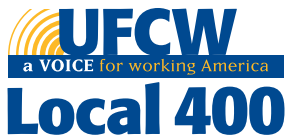

**W**e are proud to be Giant-Landover's greatest asset—its hard-working associates whose unparalleled productivity and unmatched customer service make it the number one grocery chain in the Washington, D.C., metropolitan area.

We are equally proud to be members of UFCW Local 400, because our union representation empowers us to serve Giant-Landover to the best of our ability by ensuring that we have a voice in the workplace, middle class jobs with health and retirement security, and long careers in our field.

We believe that loyalty is a two-way street, and that Giant-Landover will only improve its bottom line by sharing the prosperity our hard work generates in our upcoming bargaining. Because smart businesses that want to grow and stay profitable over the long run always invest in, cultivate and support their greatest asset.
