

#SAVEMYSTORE TOWN HALL

6:00PM ★ TUESDAY, APRIL 12

HYATT PLACE ★ 1241 JEFFERSON DAVIS HWY, FREDERICKSBURG, VA

Six Giant Food grocery stores in the Fredericksburg community are slated for potential sale as the result of a merger between Ahold and Delhaize, the European-based parent companies of Giant Food and Food Lion.

The future of our community is at stake. We can't let a corporate merger in Europe take away good jobs and quality shopping options here at home.

Help us do whatever it takes to preserve the quality shopping, good jobs, and excellent customer service that we have come to expect from our local Giant grocery stores. **Join us for a lively town hall with your neighbors to save these stores!**
