

# #FIGHTFOR15 MORAL DAY OF ACTION

MONDAY, SEPTEMBER 12 ★ RICHMOND, VA

**On Saturday, August 13, we made history in Richmond.** Thousands and thousands of us marched through the streets of Richmond to demand economic justice for the 64 million Americans working for less than \$15 an hour. The march brought together people from across the country working too much for too little – from Kroger associates to fast food workers to childcare providers and even college professors.

**Now, we're taking our message to Virginia legislators.** On Monday, September 12, we're rallying to call on the governor, state legislators and candidates for office to move away from extremist politics and policies that benefit the few and move toward policies and laws that are just and fair and guarantee a better life for the majority of the people. **As we rally in Richmond, simultaneous rallies will be held at state capitals throughout the country as part of a national Moral Day of Action. Join us!**
