## HELPING TO NEGOTIATE OUR NEXT CONTRACT WITH GIANT & SAFEWAY

**We are your 2016 advisory committee!** We will be assisting in negotiations for our next union contract with Giant & Safeway. Starting Wednesday, September 21, along with our brothers and sisters at UFCW Local 27 in Baltimore, we will sit across the table from Giant & Safeway management with the goal of winning a fair contract that allows us to take care of ourselves and our families, keeps our healthcare accessible and affordable, and makes sure we have a secure retirement. Our hard work continues to make these companies the most successful grocers in the region and we deserve to share in that success.

**Winning a good contract will require all of us to stand together, stay informed, and participate.** If you have any questions, input, or want to get more involved, talk to one of us in the stores or contact your union representative.
