

CONTRACT NEGOTIATIONS WITH LIPTON PROGRESSING

MEETINGS SCHEDULED THROUGH DECEMBER

Our first few meetings with Lipton representatives have gone very well. We are making progress and we have setup dates to continue negotiations through early December. Our talks have focused on “non-economic” parts of the contract, such as disciplinary and grievance procedures. As we move forward, we’ll exchange proposals on wages, benefits and other “economic” parts of the contract.

Let’s strengthen our union by completing union membership applications to have on file. **If you or someone you know has not yet filled out an application, contact any member of the negotiating team below, or Kayla Mock at 571-435-1817.**
