

WE DEMAND FULLY FUNDED HEALTH CARE BENEFITS

We work hard every day to serve our customers and we have earned the opportunity to access quality, affordable health care. As we negotiate our next union contract, we are united for a fair deal that maintains our health care benefits and ensures a healthy future for our families.

PETITION TO MARK GROSS, SUPERVALU, CEO:

We, the undersigned associates of Shoppers Food & Pharmacy, demand Supervalu fully fund our health and welfare benefits. We've earned it!
