We are your Shoppers Contract Action Team! We are all store associates who have volunteered to help mobilize our coworkers to take action for a better contract at Shoppers.

The only way we will win a better contract is if we all stand united, stay informed, and take action together. We must show Supervalu that we are united for a fair contract at Shoppers and we are willing to do whatever it takes to get the deal we deserve.

Over the coming weeks, we will invite you to take action with us to keep the pressure on the company to negotiate a fair contract. If you see one of us in your store, don't hesitate to talk to us, ask us questions, or make suggestions. We want to hear from you. We need your ideas and we need your participation to succeed. If you know a coworker that hasn't signed up, encourage them to take part in the process by becoming a union member. Sticking together is the only way to get the best deal for all of us.
