500 MEMBERS RALLY FOR A FAIR CONTRACT

CONTRACT NEGOTIATIONS RESUME TUESDAY, OCTOBER 24 New Campaign Website Launched: BetterKroger.org

Yesterday, we sent Kroger a clear message: we deserve a fair contract. As we continue to do our jobs and serve our customers, it is also important that we enforce our contract and participate in every action at our stores and in our communities. The next big day of action will be Thursday, October 26. Make a plan to attend the action closest to you and let's make them even bigger and better!

To help you spread the word, we have launched BetterKroger.org - our new campaign website to fight for a fair contract. BetterKroger.org will help us get the word out to our customers, neighbors, family, and friends to build the support we need to win a fair deal. Check it out and spread the word to your friends and family using the hashtag #BetterKroger.

We are back at the bargaining table on Tuesday, October 24 and every day through the rest of the week. It is our hope that Kroger is ready to negotiate a fair deal for all of us. While we are standing strong at the table, we are proud to know you continue to have our backs in the stores. We will keep going until we get a fair deal and we will keep you updated every step of the way.
