LOCAL 400 MEMBERS RATIFY NEW CONTRACT WITH ZERO CUTS

New Contract Increases Pay While Maintaining Healthcare & Retirement Benefits

Today, Local 400 members voted overwhelmingly to ratify a new union contract at Kroger.

This contract has absolutely no cuts. We all know it is extremely rare in this day and age to win a contract without losing a single benefit. Even at a time when other retailers are slashing benefits, we didn't give up a single thing. We successfully preserved our healthcare and retirement benefits while also increasing pay. And it couldn't have happened without you.

Thank you to every one of you who took the time to join us at a rally, sign a petition, and take action for a fair contract. We cannot overstate how important your participation has been to our efforts. Thanks to all of us sticking together as a union, we successfully fought back against every cut the company proposed.

The new contract takes effect immediately and extends through August 29, 2020. Let's continue to stand together, let's continue to build our union, and let's keep up the fight every day to get what we deserve.
